GP APR Legal History

1965
General law cities and all counties are required to provide an annual report to their legislative body on the status of their General Plan and its implementation under Government Code Section 65400

2000–2010
Annual report process gradually becomes a two-report system

2018
Charter cities are required to submit a General Plan and Housing Element APR for reporting year 2017 (due April 1, 2018) and onward (AB 879)
