RE: Discussion Draft Technical Advisory-AB 52 and Tribal Cultural Resources in CEQA

Dear Mr. Calfee and Ms. Roberson:

On behalf of the California Council for Environmental and Economic Balance (CCEEB), I write to thank you for the opportunity to submit comments on the Office of Planning and Research's ("OPR") May 2015 Discussion Draft Technical Advisory ("Technical Advisory") on Assembly Bill 52. CCEEB works to advance strategies to achieve a sound economy and a healthy environment. Founded in 1973, CCEEB is a non-profit and non-partisan organization.

CCEEB withdrew its opposition to AB 52 because of the August 22, 2014 amendments. The Technical Advisory provides guidance to lead agencies regarding implementation of Assembly Bill 52 (Gatto, 2014). After thoroughly discussing OPR's Technical Advisory on May 19, CCEEB decided not to comment on it beyond complimenting you on its excellence.

Please contact me or Jackson R. Gualco, Kendra Daijogo or Mark Theisen, CCEEB's governmental relations representatives at The Gualco Group, Inc. at (916) 441-1392 on any CEQA-related matter that you think CCEEB's input would be welcomed and of value, or if we can assist in answering any questions you may have on behalf of our members.

Sincerely,

GERALD D. SECUNDY
President
