Subject: 2014 CEQA Guidelines Update

Dear OPR:

Thank you for the 12/30/13 "Possible Topics to be Addressed in the 2014 CEQA Guidelines Update."

Please consider these additional possible topics:

Section 15062 - Requiring electronic posting and availability of NOEs. Clarifying the procedure to ensure the public can be mailed the NOE, and what the penalty is for failure to do so. Codifying the premature NOE holding of *CCA v. Visalia* (2012) 209 CA4 408.

Section 15094 - Requiring electronic posting and availability of NODs. Clarifying the procedure to ensure the public can be mailed the NOD, and what the penalty is for failure to do so.

Section 15126.4 – Requiring that adopted mitigation measures actually be implemented, and clarifying litigation procedure and penalty in connection with failure to implement adopted mitigation measures. *See Katzeff v. Dep't of Dept of Forestry* (2010) 181 CA4 601.

Please put me on the mailing for further notices in connection with the 2014 CEQA Guidelines Update.

Thank you.
