MEMORANDUM

Governor's Office of Planning and Research State Clearinghouse

Date: December 5, 2003

To: All CEQA Lead Agencies

From: Terry Roberts, Director, State Clearinghouse

Re: Submission of Electronic CEQA Documents to State Clearinghouse

In order to take advantage of the cost and time savings associated with electronic documents, the State Clearinghouse will accept electronic documents under the following conditions:

1. Electronic documents shall be on CD, and the file format shall be either Adobe PDF or Microsoft Word.
2. For EIRs, each CD must be accompanied by a printed copy of the Executive Summary. This allows the State Clearinghouse and the reviewing agencies to efficiently route the document to the proper persons.
3. Negative Declarations and Mitigated Negative Declarations will not be accepted on CD. However, any separately bound technical appendices to the document may be submitted on CD.
4. For certain projects, particularly large infrastructure projects such as airport expansions, the State Clearinghouse may request a certain number of hard copies. In addition, the lead agency shall honor a special request from a responsible or trustee agency which requires a hardcopy for purposes of review and comment.
5. This policy does not invalidate CEQA Guideline §15205, which requires a public agency submitting printed documents to the State Clearinghouse to send, in addition, an electronic copy of the document, *if available*.

If you have any questions regarding the submission and circulation of environmental documents, please contact the State Clearinghouse at (916) 445-0613 or state.clearinghouse@opr.ca.gov.

	Because the area is already designated for airport use, the Master Plan recommends the expansion of the existing airport site and the construction of a new runway and taxiway to the south of the existing runway.		
2004011001	City of La Puente General Plan La Puente, City of La Puente--Los Angeles The project is the adoption and implementation of comprehensive updates to the City of La Puente General Plan and Zoning Ordinance. The General Plan guides the City to the year of 2025 by establishing goals and policies that address land use, circulation, economic development, and related issues. Implementation of the General Plan will ensure that future development projects are consistent with the community's goals and that adequate urban services are available to meet the needs of new development. The Zoning Ordinance serves as the primary tool to achieve the goals, policies, and development expectations established in La Puente's Land Use Plan. Under California law, the Zoning Ordinance must be consistent with the General Plan.	NOP	02/02/2004
2004011008	Parkside Specific Plan Ontario, City of Ontario--San Bernardino The proposed project envisions the construction of 597 single family residences, 1409 multi-family residences, a 52-acre Central Park (part of the Central Park system within the New Model Colony), and may include 5 acres of mixed use on the SW corner of the property.	NOP	02/02/2004
2004011009	Hettinga Specific Plan Ontario, City of Ontario--San Bernardino The Hettinga Specific Plan (SP) is comprised of primarily "Residential - Low Density" land use designations with a small area designated as "Neighborhood Center." The Hettinga SP anticipates the development of approximately 2,300 single family detached residential units and up to 87,000 square feet of retail space. The Hettinga SP also provides for the siting of an elementary school and a neighborhood park.	NOP	02/02/2004
2004012009	Sanchez and Paddock Property, General Plan Amendment, Annexation Application, and Rezone Application Escalon, City of Escalon--San Joaquin The project involves the development of 122 acres of agricultural land for approximately 494 single-family residential homes, 4.3 acres of parkland for a new school at the northeast corner of Brennan Avenue and Ullrey Avenue.
